EASILY **ENGAGE** YOUR STUDENTS WITH ALL YOUR EXISTING CONTENT

Teachers seldomly start from scratch when creating a lesson. Whether you have created many lessons before or not, digital content is all around us. This is why Newline has added Engage to the interactive ecosystem. An easy to use interactive teaching tool with which you can natively import your existing lessons like IWB, SMART Notebook, and Promethean Flipchart.

Haven't created anything yet? Quick interactive lesson creation becomes a walk in the park with Engage. Any content can be imported, like images, video, PDF, PPT, text, shapes and much more. No inspiration? Use one of the free templates or use the whiteboard on the go with one of the 130+ subject specific tools. Easy peasy!
