

BSI Refurbished Sustainable Technology

- Over 120 variations of major brand laptops & desktops, with consistent quality, available in large quantities, at a cheaper price point than new.
- Planting trees & sea kelp, donating to charity, preventing e-waste & avoiding CO2 emissions from manufacture by not buying new.
- Up to 60% cost savings compared to brand new latest models.

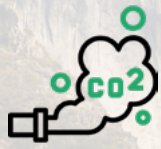

12 Month Repair and Repay Warranty. We have less than a 3% returns rate (RMA) but, if there is a fault, we repair and give the customer their money back. T&Cs Apply

20 Trees
sea kelp, and charity
donations made

5500kgs
prevented by not
buying new

24,000kgs
production waste
prevented

1.91M Litres
of water preserved at
manufacture

0.98 Cars
annual emissions
rebalanced

29.6kgs
of e-waste
prevented

Value Proposition:

- One of the first BSI Kitemark certifications for refurbished laptops & desktops - removing any perceived risk
- **12-month Money Back Guarantee + 2-year return-to-base warranty as standard - Runs simultaneously**
- BSI refurbished process delivers unrivalled quality
- Consistent quality available in large volumes
- Up to 60% cost savings compared to brand new

Sustainability Facts:

- Planting trees & sea kelp, and donations to charity for every unit sold
- Why sea kelp? It removes carbon 30x faster than trees
- Prevent e-waste from entering landfill
- Carbon tax savings, Government Buying Standards & ESG Reporting assistance provided through the team if required
- Preserve natural resources and CO2 emissions by not buying new
- Transparent and referenced sustainability facts - No greenwashing
- BSI refurbishment completed in the UK, reducing transport emissions

About BSI Refurbishment:

- The British Standards Institute have certified this line of refurbished technology with their BSI Kitemark™, which is one of the world's first well-established trust marks for quality.
- 'BSI Refurbished' is the high-end alternative to 'refurbished' and a cheaper alternative to 'remanufactured' or 'new'
- Regular external audits ensure consistency of quality long-term

BSI Refurbished vs Standard Refurbished

- | | |
|---|------------------------------------|
| ✓ Third-party verified consistent quality | ✗ Inconsistent self graded quality |
| ✓ Engineered upgrades & cleaning | ✗ Cleaned only |
| ✓ Pristine screens | ✗ Basic power-on testing |
| ✓ Thorough audited testing | ✗ Filtered screen |
| ✓ Low returns rate | ✗ Low / No audits |
| ✓ Unmatchable warranty | ✗ High returns rate |
| | ✗ Low / No warranty |
